

# MODERN PUBLIC SCHOOL

**CBSE affiliated - 2132062**

Part of MPS Society, nurturing education for the past 35 years

## VISION

To be a happy school with blend of values, tradition, technology and a quest for excellence.

*A School is a building which has four walls with future inside...*

## MISSION

School philosophy, believe in taking one step at a time, and our mission is to be ever evolving.

- To offer Education for all together-barring socio economic position of students through our scholarship programs.
- Counseling program for the scholars
- Teaching aids and tools for teachers through advanced training programs and socially abreast workshops.
- Sportsmanship in each student.
- Cultural and historical understanding of India through theme activities.
- Academic freedom to our toppers to keep learning and keep achieving.
- Understand and play role of civilized and responsible citizens.

## METHODOLOGY - ECE

The ECE curriculum focuses attention on the development of skills that are essential for a young child before it can take up the formal learning of reading, writing and arithmetic. These skills relate to the integrated growth and development of a child's physical, cognitive, linguistic, social, emotional, creative and aesthetic aspects of personality and call for systematic and planned individual capabilities of each individual child. The thematic approach to learning helps children take in immediate environment in a positive manner. Singing, dramatisation, role play and various group activities are the essential ingredients of this form of learning. The formal evaluation system has been away with the ECE centre. However, informal and continuous evaluation of acquisition of skills by each individual child is done on a regular basis. The aim is to help each child traverse its development course with ease and confidence without competing with anyone.

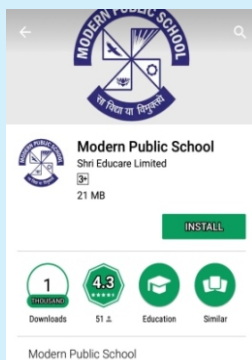

## METHODOLOGIES FOR THE JUNIOR, MIDDLE AND SENIOR SCHOOL

The school staff uses the best and latest teaching pedagogies which help to make learning a pleasure. 'Smart Class' technology has been adopted wherein classrooms are interactive with tons of information for all classes as per the CBSE curriculum. This audio-visual teaching aid helps to reinforce class room concepts and brings greater

clarity of thought and understanding. Students will be taught and tested through this audio-visual medium. Group discussions, seminars, visits by eminent guest faculty/speakers, field visits, and project work form an integral part of learning at school. Keeping MPS motto that 'No Child Left Behind', teachers device lessons using 'Multiple Intelligence Approach'.

## E-CARE

Modern Public School has formally facilitated with planning for parents of the school. MPS-E-CARE is a web-based system that enables parents to access student's information and continual progress in real-time. Parents can access students and school-related activities on the web by using a secured login provided to them.

## AFFILIATIONS

School is proud to announce that we are partnered with the following institutions for the best platform to be offered to students throughout:

Lead Innovation: Talk Smart-Effective Communication program

Extra Marks: Effective Teaching program

Prayag Sangeet Samiti: External examination for Music students

Envision India Edu Services

Edu Lead International

## SCHOLARSHIPS

- Achrumal Merit cum Means Scholarships are provided on the basis of Merit –cum Means.
- Shri V P Kaura scholarship to the deserving candidates based upon the eligibility as predefined by the school management.

## PTF

PTF is body consisting of Parents, Teachers, Principal, Educationists and Management which meets periodically to discuss the plans, progress and facilitate the understanding between the stakeholders.

## SCIENCE LAB

The departments of Physics, Chemistry and Biology work together to develop the scientific temperament of the Modernites. The school has well equipped labs to help the students to groom themselves. Students work on various projects under the guidance of their teachers, the spacious and well equipped labs and the expert guidance of experienced teachers help the young scientists work ingeniously.

- A large, modern state-of-the-art Biology Laboratory is fully equipped with charts, specimens, slides, scores of models and mounts catering to both middle and senior school.
- A spacious and well-equipped Chemistry laboratory can accommodate 50 students at one time. The laboratory has a demonstration table, modern shelves to store reagent bottles, sinks and charts. Proper safety measures are strictly followed.
- There is a Physics laboratory which can cater to about 50 students at a time. Fitted with latest equipments, the laboratory is replete with charts and working as well as dead models. The school ensures that each student is able to work with one apparatus.

## MEDICAL FACILITIES

The school is tied up with the Vrandavan Hospital for the first level admission and treatment. As per the school's medical policy if the student gets hurt in accidents during school hours, doctor's consultation charges for the first time will be borne by the school. All charges towards lab tests as well as any subsequent charges, including admissions etc. will have to be borne by the parents although the school will make the payments in order to save the time. The original bills and reports will be handed over to the parents for any insurance claim. The reimbursement of the amount paid by the school, except for the first-time consultation, will be collected through cheques.

## COMPUTER LAB

Information Technology is an indispensable tool in education and MPS is committed to effective use of technology in the regular classroom. All computer labs are connected to our Intra school network and also have broadband access..

## LANGUAGE LAB

Language Lab is equipped with integrated materials for developing young students with the right pronunciation of vowels, consonants, syllables followed by Comprehensive Grammar and Verbal Reasoning skills.

## MATHEMATICS LAB

Mathematics Department shares the vision of the school in striving for excellence in research and teaching activities and has succeeded in the endeavour to a large extent. We provide a dedicated Mathematics Lab for exploratory learning to the students.

## SECURITY

Modern Public School is safe, yet welcoming. All visitors are required to register with the security guard before entering the main buildings of the School. The school is also monitored 24hrs through CCTV cameras. Multi-Level security systems are employed to create a safe environment for our students. Strict security procedures are followed in case children are picked up from the school during school hours.

## MUSIC

If you thought that just Maths and Science are essential for the development of ideas and techniques in a child then you might need to rethink that for music is as essential as any core subject. Whether a child plays music just for fun or whether he wants to take it to a professional level, music is highly important for laying down a strong foundation of language development, mental abilities, or general life lessons in a child, and this is why Modern Public School on the importance of the introduction of music in the curriculum of school. The schools in India need to realise that music can enrich the life of students beyond measure. In today's time when children are distracted by the world of digital media, music can bring a sense of discipline and calmness into their lives.

## LIBRARY

Libraries are the fountain of the knowledge and a rudimentary need for enhancing learning and teaching. MPS Library has treasured more than 5000 books and journals provides supportive atmosphere to read and learn. The huge, silent and pious reading-hall helps students to concentrate in reading.

## DANCE

The dance classes cater to the physical and mental health of the students. Dance reduces the risk of cardiovascular disease and ensures weight control, stress reduction and physical fitness among all students.
